

Meet the Music Teacher

Dear Parents,

Hello! My name is Yvette Lanz and I am the music teacher here at Borton. I am so excited to be a part of the team and I can't wait to create some music with your students. I would like to take this opportunity to share a little bit about myself with you!

My main instrument is the violin and I have been playing for over 17 years. I first started my musical journey in elementary school when I joined the school's Mariachi program. In high school I continued to be in mariachi but decided to explore classical music and even ventured out towards choir. As a teenager I completely fell in love with music and knew that I wanted to be a musician forever. I then decided to get my degree in music!

A few fun facts about me: I love to travel, hike, and read. My favorite color is forrest green, and I am both a coffee and tea person. I am an animal lover and happen to also be vegan. 😊 I'm currently part of an all-female mariachi called Las Azaleas, where we perform around Tucson!

If you see me around, please say hi and introduce yourself, I would love to meet you! Down below is my contact info, please let me know if you have any questions or concerns. Have a great first full week of school! 😊
