Class Dojo

## About Me

Aloha and welcome to 4th Grade! I am Ms. Amanda, and I am looking forward to being your teacher this year. I went to the University of Central Missouri and completed my degree in Elementary Education. This is my 13th year of teaching. My last 6 years I taught 6th grade math. I am looking forward to my first year here and am excited for our journey in 4th grade.

## Fun Fact

I was a NCAA athlete in college. I bowled for the national championship on ESPN! I still bowl today and have bowled on the woman's pro tour.
