

# Meet the Teacher

My name is Sam Milianta. This is my first year teaching at Borton. Before I came here I taught for 21 years in Utah. I have a Masters of Education from Southern Utah University. My mom was a teacher and we even taught together for a few years. I'm excited for my first year at Borton.

Outside of teaching, I am new to Tucson. I grew up in the high desert of Southern Utah so I really like the desert and doing things outdoors. My other interests are photography (I had my own darkroom for many years!) and I have been skateboarding for my whole life. I also like reading books and watching movies.
