

CLASSROOM NEWS

Week of: Oct. 29, 2024

Cardinal Room

Please send any snack donations. Happy Spirit Week! Shout-out to families for helping your child participate this week. We know it's a lot of work but the kids come in so excited to share and see what everyone is wearing! It makes our day extra special.

Learning Focus

Math: Students must determine how many are added or taken away in problems such as:

There are ___ frogs on a log. Some frogs hop on (or off) the log. Now there are ____ frogs on the log. How many frogs hopped on (or off) the log?

They will be using simple labels and drawings of the known part, and unknown part, and the total.

GATE Testing: We completed gate testing last week. Students completed the test on their computer in our classroom with 4 proctors, including myself. We motivated the students to do their best since it was long and tricky. Additional GATE Information is attached.

Phonics (FUNdations)

We will complete our work with digraphs this week. We are focusing on the /k/ sound. The /k/ sound can be spelled with c, k, or ck. CK is used at the end of a word right after a short vowel. Practice words:

duck lick
kick
chick rack thick
