Learning Goals

Reading and Writing

New letters this week: l, h, k
Review: t, b, f, m, n, i, u, c, o,
a, g, d, s, e, r, j, p

We will continue working on retelling familiar stories and identifying the characters and settings in a story. We are also focusing on our project and each student has their own letter. Ask your child what letter they are working on for the project.

Math

We finished the shapes unit and will be moving on to the comparison unit. The students will be comparing the length, height, and weight of different objects.

PBL

Driving Question: How can we create a book that we can all read?
Each student has been working on a letter and finding words that begin with that letter in English and Spanish.
