Announcements

I can't believe it's already the end of 3rd quarter! This has been such a great year and I know we will have an amazing last quarter. Enjoy Spring Break!

Inflatable Obstacle Course

The whole school will celebrate our academic growth with an inflatable obstacle course tomorrow March 5th. **Please send your child to school with shoes and socks.** They will need to take off their shoes, so socks are important. The kindergarten classes will be out on the playground from 9:40-10:20.

Snack

We will need more snack when we return from spring break.

Learning Goals

Reading and Writing

We have started responding to more writing prompts now that most of the children are able to write sentences.

Trick words we have learned so far: the, is, and, are, to, is, his, as, has, I, like.

We will use puppets and felt boards to practice retelling familiar stories.

Math

We are now working on both addition and subtraction. See the Family Math handout for more information.

We are also focusing on counting to 100. Students should be able to count to 100 by 1's and 10's by the end of Kindergarten.

PBL

The driving question for our new project is: How can we practice what we are learning while we play?
